Volume 10

Number 1 (September 1988) 1-96
Number 2 (December 1988) 97-176
Number 3 (March 1989) 177-240
Number 4 (June 1989) 241-328

Authors:

AWA, NJOKU E. "Participation and Indigenous Knowledge in Rural Development," 304.

BACKER, THOMAS E., ROBERT RICH, and LOIS-ELLIN DATTA, "1989 Overview of the Howard R. Davis Society for Knowledge Utilization and Planned Change," 317.

BOZEMAN, BARRY and R. F. SHANGRAW, Jr., "Computers as a Public Management Decision Tool: An Experimental Analysis of the Effects of Cost and Access on Information Choice," 111.

BUGLIARELLO, GEORGE, "Toward Hyperintelligence," 67.

COOPER, HARRIS and RONALD G. RIBBLE, "Influences on the Outcome of Literature Searches for Integrative Research Reviews," 179.

COURSEY, DAVID H., "Using Experiments in Knowledge Utilization Research: Strengths, Weaknesses, and Potential Applications," 224.

DATTA, LOIS-ELLIN, see Thomas E. Backer.

FISHER, DONALD, "Boundary Work: A Model of the Relation Between Power and Knowledge," 156.

KEARNS, KEVIN P., "Communication Networks Among Municipal Administrators: Sharing Information About Computers in Local Government," 260.

MANDELL, MARVIN B., "Simulation Models and the Study of Information Utilization in Public-Sector Decision Making," 202.

MASON, RICHARD O., "Experimentation and Knowledge: A Pragmatic Perspective," 3.

MAYNARD-MOODY, STEVEN, "Policy as Communication and the Naturalistic Study of the Use of Policy Research," 215.

NILSSON, KJELL, see Sune Sunesson.

RIBBLE, RONALD G., see Harris Cooper.

RICH, ROBERT, see Thomas E. Backer.

ROE, ROBERT C., "Traditional Media and Culture: Rethinking Development," 49.

RYAN, ALAN G., "Program Evaluation Within the Paradigms: Mapping the Territory," 25.
SHANGRAW, R. F., Jr., see Barry Bozeman.
SONNICHSEN, RICHARD C., "Advocacy Evaluation: A Strategy for Organizational Improvement," 243.
SUNESSON, SUNE and KJELL NILSSON, "Explaining Research Utilization: Beyond "Functions'," 140.
SY, KAREN J., "As Scientists and Citizens: Profiles and Perspectives of Academic Advisers to State Government," 280.
WARTELLA, ELLEN, see D. Charles Whitney.
WHITNEY, D. CHARLES and ELLEN WARTELLA, "The Public as Dummies: Comments on American Ignorance," 99.

Articles:

"Advocacy Evaluation: A Strategy for Organizational Improvement," Sonnichsen, 243.
"As Scientists and Citizens: Profiles and Perspectives of Academic Advisers to State Government," Sy, 280.
"Boundary Work: A Model of the Relation Between Power and Knowledge," Fisher, 156.
"Communication Networks Among Municipal Administrators: Sharing Information About Computers in Local Government," Kearns, 260.
"Computers as a Public Management Decision Tool: An Experimental Analysis of the Effects of Cost and Access on Information Choice," Bozeman and Shangraw, 111.
"Experimentation and Knowledge: A Pragmatic Perspective," Mason, 3.
"Explaining Research Utilization: Beyond "Functions'," Sunesson and Nilsson, 140.
"The Government Scene: Knowledge Creation and Use by the Public Sector," 90.
"Influences on the Outcome of Literature Searches for Integrative Research Reviews," Cooper and Ribble, 179.
"1989 Overview of the Howard R. Davis Society for Knowledge Utilization and Planned Change," Backer et al., 317.
"Participation and Indigenous Knowledge in Rural Development," Awa, 304.
"Policy as Communication and the Naturalistic Study of the Use of Policy Research," Maynard-Moody, 215.
"Program Evaluation Within the Paradigms: Mapping the Territory," Ryan, 25.
"The Public as Dummies: Comments on American Ignorance," Whitney and Wartella, 99.
"Simulation Models and the Study of Information Utilization in Public-Sector Decision Making," Mandell, 202.
"Toward Hyperintelligence," Bugliarello, 67.
"Traditional Media and Culture: Rethinking Development," Roe, 49.
"Using Experiments in Knowledge Utilization Research: Strengths, Weaknesses, and Potential Applications," Coursey, 224.
